

Project 1.27 is celebrating its 100<sup>th</sup> finalized adoption!! P127 has worked with over 400 families in the last 5 years.

In April of 2008, we as a congregation prayed for Darius to find a forever family. We are thrilled that Darius was our 100<sup>th</sup> adoption, and that his new parents, Rowland and Celeste Radford, are from the CCC family!

We greatly appreciate the prayers and support we have received from the CCC congregation. If you would like more information, please contact Rick Valore at [rvalore@project127.com](mailto:rvalore@project127.com) or 303-256-1225.
