

Senseless Joy

Habakkuk 1:1-13; 3:16-19

By Dr. Hugo Venegas

- I. Things in life can go so wrong they make us question God.
- II. At times when we demand solutions from God about what is wrong, things can get worse.

How should we respond to God when things go from bad to worse?

- III. Rejoice in God in your bad circumstances.
 - James 1:2
 - Why rejoice when things go wrong?
- A. Because God is in control when things seem uncontrollable.
- B. Because God is mighty to save when our might is compromised.
- C. Because God can enable us to make a way out of nowhere.
